

Australian Mohair Marketing Organisation Ltd

MARKET REPORT A2016

Australian Mohair Marketing Org Ltd held its first Auction for 2016 on Friday the 3rd of June in Narrandera. It proved to be another very solid result for producers.

Strong competition from the buyers saw spirited bidding on most lots, with the Fine Fine Hair and Fine Hair types attracting most attention. The 97.7% sale clearance was pleasing, as was the overall sale average price of 1756 c/kg. The 2016 Sale Average, although down on our last sale in November, was 148 c/kg better than the May 2015 Auction.

The Top price for the sale was 2740 c/kg paid by New England Wool for a single bale Grower Lot of SBFFK (23.4 micron), owned by Justine Hall. They also paid top price for KID (2580c/kg) and YOUNG GOAT (2410c/kg) Grower Lots belonging to J Hall & J and R Van Os both of Woodstock in central NSW.
