

## E-NEWS SUMMER 2020

### WELCOME TO AMMO'S LATEST E-NEWS!

The purpose of the E-news is to keep members and mohair growers informed of AMMO happenings and provide information on the Company and our achievements. If you know of anyone not receiving this E-news please make sure AMMO has their current email address.

### NEW SALE SEASONS – 2021

**A2021** closing date mid December 2020 Auction proposed April 2021

*- Get your clip in now!!!!*

**B2021** closing date mid May 2021 Auction proposed Oct 2021

We would like to take the opportunity to Thank all our valued producers who have supported AMMO this year. We look forward to your support during 2021.

### *CONSIGNING YOUR MOHAIR.....*

We wish to bring to your attention the importance of clearly labelling your consignments prior to delivery to receival centres. Bales/butts must be addressed to AMMO, 68 River St. Narrandera NSW with your name and address as the consignee.

Producers must also ask for some form of receival documentation when the mohair is left and a call or email to the AMMO office to let us know that mohair has been consigned would be appreciated.

When your mohair has been classed by AMMO you will receive a classing report. The report will contain some positive comments about your clip preparation but may also have some guidance on how it may be improved which may reduce your classing charges. These comments are not meant to be critical but rather provide an opportunity for improvement.

Producers are also able to book a classing appointment at the AMMO warehouse and be present when their mohair is classed. This would allow direct feedback and the opportunity to ask any questions relating to mohair and its classing.

It is also important to send your mohair as quickly as possible to AMMO, and before the sale closing date, so that the AMMO staff have enough time to prepare your mohair to maximise the sale return. If you have a problem meeting the closing date, please contact and discuss with the AMMO office.

## ANNUAL GENERAL MEETING

AMMO held its AGM in conjunction with Mohair Australia on Friday the 6<sup>th</sup> of November at Wallaroo NSW. Around 20 growers and members attended the AGM. We also had some members choosing to attend via Zoom. We would like to thank all those who attended and those who joined us through Zoom. Thanks must go out to Nick Gorrie (MAL) for the organising of the event and making it possible to view the meeting through Zoom. AMMO would like to congratulate and welcome Mr David Lillis on being elected as a Director and the re-election of Brett Grant. The AMMO Board now consists of Peter Simpson (Chairman), Brett Grant (Vice Chairman), Charlie Bell and David Lillis.

David Lillis

## **THROUGH THE DOOR PAYMENTS – ARE STILL AVAILABLE**

To help producers who have small numbers of goats and consign under 50kgs of fibre at a time, to better manage their cash flow, AMMO has introduced a “through the door” purchase arrangement. This is a huge investment in the industry going forward and it may also help smaller producers who do not wish to wait up to six months for payment.

## **ADVANCE PAYMENTS**

Producers can choose to take advantage of our Advance payment option at any time, on pooled or weaving type fibre, by requesting direct to the office or via consignment note, for an advance to be paid. Advance payments of \$4.00 per kilo can be made and will be deducted from sale proceeds prior to payment after the auction.

## **CONSIGNMENT NOTES ARE IMPORTANT!**

Consignment notes keep us up to date with your details, bank details and GST status. They allow you to request an advance payment. You can print one off from the website or just use a piece of paper.
